Welcome to the University of Toronto Scarborough!

UTSC is at an exciting threshold. High-performing students and faculty in greater numbers, novel programming and new state-of-the-art facilities have transformed UTSC into a comprehensive research-intensive university in its own right.

From a one-building campus launched in 1964, we have flourished and offer exceptional undergraduate and graduate programs, a robust research environment, premier cooperative educational opportunities, outstanding physical spaces and a vibrant international perspective.

Welcome to the University of Toronto Scarborough!
We wish to acknowledge this land on which the University of Toronto operates. For thousands of years it has been the traditional land of the Huron-Wendat, the Seneca, and most recently, the Mississaugas of the Credit River. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work on this land.

### Statement of Acknowledgement of Traditional Land

We wish to acknowledge the land on which the University of Toronto operates. For thousands of years it has been the traditional land of the Huron-Wendat, the Seneca, and most recently, the Mississaugas of the Credit River. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work on this land.
