ADMISSION CATEGORIES

APPLICATION & ADMISSIONS PROCESSES

1. COMPLETE AN ONLINE APPLICATION FORM
   - www.admissions.utoronto.ca
   - Pay attention to the application deadline.
   - Ensure that your mailing address and email address are correct - that’s how we will communicate with you.

2. REVIEW THE “NEXT STEPS” WEBSITE
   - www.admissions.utoronto.ca
   - Find out which supporting documents you will need to send, including information about academic records, English language facility and supplementary information.

3. USE THE JOIN U OF T ADMISSIONS WEBSITE
   - www.joinutoronto.ca
   - Log in to your account and check the status of your application, including the receipt of documents and any admissions decisions.

4. SUBMIT YOUR SUPPLEMENTARY APPLICATION FORM (IF REQUIRED)
   - www.utoronto.ca/admissions/apply
   - While most programs in arts, social science, and humanities will use your academic record for admissions consideration, some programs do require that you submit additional information.
   - If you feel that you have additional information that will help strengthen your application, you may need to submit additional forms.

SELECTION CRITERIA
The general requirements for admission to U of T by educational jurisdiction are set out on the University’s website.

Applicants are considered based on a wide range of criteria, including:
- Academic record
- History of academic achievement
- Performance in subject prerequisites
- Supplementary application form (if required)
- Special consideration and extracurricular circumstances
- The University of Toronto admits students based on academic performance and potential, and will select students for admission based on competitive strength.
1. Ontario High School Diploma
2. 6 Grade 12 U or M courses
3. Prerequisites at the 4U level
4. English facility (if required)
5. Supplementary Application Form (SAF) required for:
   - All Management programs
   - Co-op International Development Studies
   - Paramedicine
6. Interview required for shortlisted Co-op International Development Studies applicants and Co-op Management & International Business
