Dear Chairs,

I hope your semester is off to a good start.

The Centre for Teaching & Learning (CTL) supports U of T Scarborough faculty members in their teaching journey and would like to build a stronger partnership with them. We offer one-to-one consultations on teaching and learning issues. We can also attend one of your departmental meetings to discuss issues relevant to your department.

CTL is available to support the actions from the [U of T Scarborough Campus Curriculum Review](#), which aims to ensure that the campus's commitment to inclusion, Indigeneity, and anti-racism is reflected across programs and embedded in pedagogical supports. In response to the recommended actions of the [Campus Curriculum Review](#), CTL hired two new Educational Developers - one in **Anti-Racist Pedagogies**, [Dr. Nicola Dove](#), and one in **Universal Design for Learning**, [Dr. Cheryl Lepard](#), and a third hire in the area of **Indigenous Pedagogies** is also planned.
