

## TA Training Day at UTSC

Friday, August 31, 2018

Collaboratively sponsored by the Centre for Teaching & Learning (CTL)  
and the Teaching Assistants' Training Program (TATP)

The following TA job training sessions have been scheduled at the UTSC campus. Students must register in advance for their required training sessions by using the links below or at the CTL TA events page: <https://ctl.utsc.utoronto.ca/booking/tatp/>. Space is limited. Only students who register in advance will be guaranteed a space. Departments will inform their TAs concerning the type of training they are required to attend.

**Attendance is required for the full session (not starting 10 minutes later).** Attendance will be reported to the department and the course instructors. Some desktop computers are available for use during the Quercus training sessions, but it's recommended for students to bring their laptops if possible.
