

Standing on the Shoulders of Giants Research Awards & Honours

New Faculty Orientation UTSC
August 2, 2018

The Value & Impact of Awards and Honours

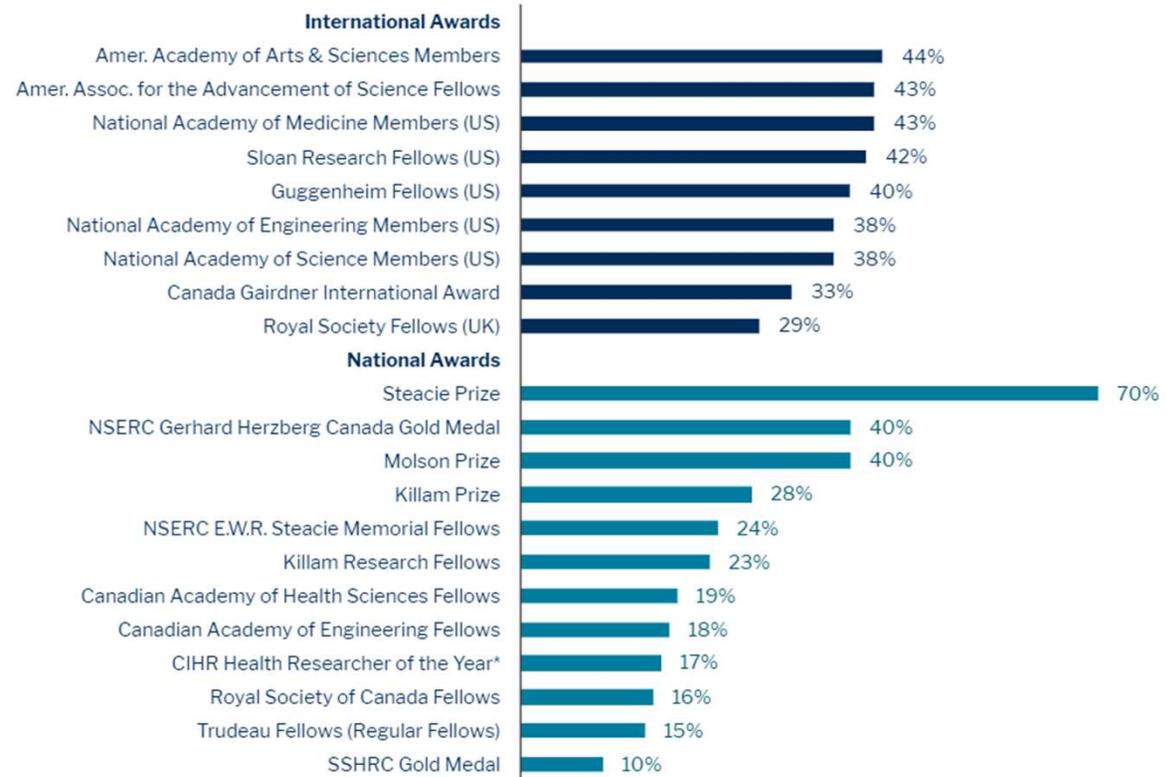

Prestigious national and international honours by UTSC researchers is an important benchmark of excellence in research and innovation.

Awards create a culture of excellence that attracts top academics and students, further increasing our visibility and impact on the world stage

Major Awards & Honours U of T Market Share Among Canadian Universities (2008-2017)

■ International

■ National

Percent Share of Awards and Honours among Canadian Universities

- **Impact on Scholarship**
- **Impact on Society and Culture**
- **Impact on the Economy**
- **Impact on Practice and Policy**

Through your Department/Faculty

Your Chair/Director, Associate Chair-Research, or colleagues may wish to nominate you.

Through you/your team

Don't wait to be asked. If you are aware of an upcoming award for which you know you would be a great candidate, contact Your Chair/Director or Associate Chair-Research, or a colleague.

Develop an awards and honours plan - a trajectory of increasingly prestigious A&H for which you will apply as your career progresses.

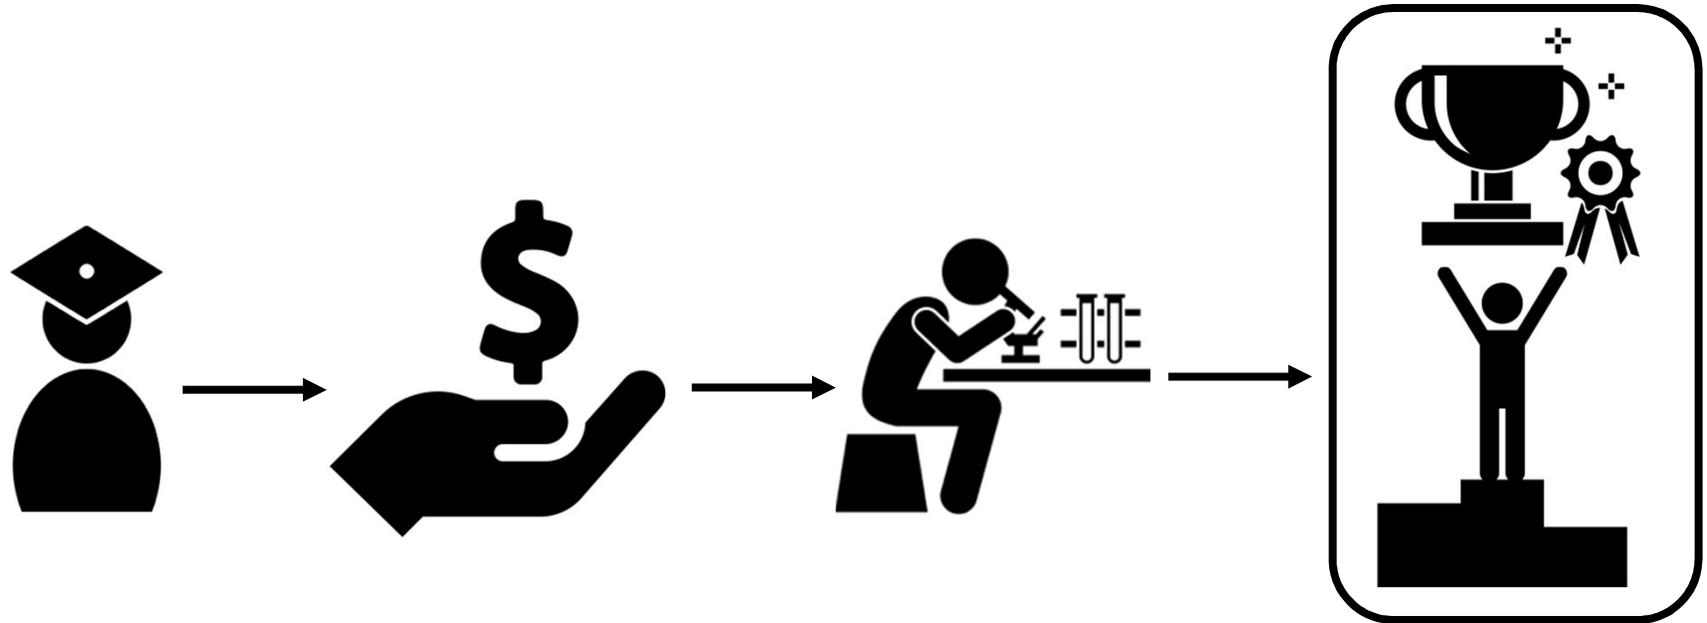

Your Awards & Honours Plan might include:

- Institutional awards for new/junior faculty
- Discipline-specific awards for early-career researchers
- National awards for mid-career faculty/researchers
- International awards and honours

UTSC Faculty Research Awards!

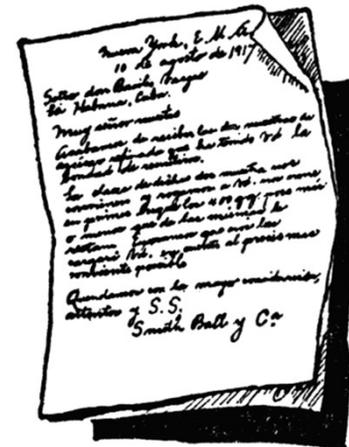

- Research Recognition Award
- Research Excellence Faculty Scholars
- Principal's Research Award

Our main goal is to help our faculty succeed.

OVPR Awards and Honours Support

- Support to prepare awards and honours nomination packages (up to \$500)
- OVPR can also facilitate institutional letters of support and external letters of support for applications/nominations
