To: Faculty, Staff and Students, University of Toronto Scarborough
Cc: Award Winners
From: Professor William A. Gough, Vice-Principal Academic & Dean and
Professor Katherine R Larson, Vice-Dean Teaching, Learning, & Undergraduate Programs
Date: 30 July 2021
Re: **Congratulations to the 2021 UTSC Teaching Award Recipients**
Note: For broad distribution

We are pleased to announce the UTSC Teaching Awards recipients for 2021. The UTSC Teaching Awards were established to recognize teaching excellence in the classroom, educational leadership, and contributions to the teaching community at the University of Toronto Scarborough.

The award winners were chosen for their outstanding contributions to teaching and learning, for uplifting and motivating students, and for their demonstrated commitment to inclusive excellence in their pedagogical and curricular work.

The **2021 Recipients** listed by category are as follows:

Associate/Full Professors (tenure and teaching stream)

Alen Hadzovic (Physical and Environmental Sciences)
Douglas Kong (Management)

Assistant Professors (tenure stream, teaching stream and CLTA/lecturers, including part-time lecturers)

Kosha Bramesfeld (Psychology)
Obidimma Ezezika (Health & Society)
Bettina von Lieres (Global Development Studies)

Unit 3 Sessional Lecturers

Kathy Wallace (Physical and Environmental Sciences)

Unit 1 Course Instructors

Michelle Amri (Health & Society)
Natashya Falcone (Physical and Environmental Sciences)
Hamish Russell (Philosophy)

Unit 1 Graduate Teaching Assistants

Sadia Riaz (Psychology)
Shane Sookhan (Physical and Environmental Sciences)

Unit 1 Undergraduate Teaching Assistants

Nick Huang (Computer & Mathematical Sciences)

The award winners will be recognized this Fall at a virtual Celebration of Distinguished Service featuring video profiles.

Please join us in congratulating the 2021 UTSC Teaching Award recipients.

Yours sincerely,

William A. Gough
Vice-Principal Academic & Dean

Katherine R. Larson
Vice-Dean Teaching, Learning & Undergraduate Programs
