WELCOME TO UTSC!

VISIT US!

THE BEST WAY TO DECIDE IF THE UNIVERSITY OF TORONTO SCARBOROUGH IS RIGHT FOR YOU IS TO EXPERIENCE IT IN PERSON.

You’re invited to visit the campus to learn more about our vibrant student life, comprehensive student services, impressive facilities, cozy residences and innovative academic programs. Drop in on a weekday to take a guided tour, or attend one of our weekend Open House events.

ASK A STUDENT
Learn what it’s like to study & live at the university. www.utsc.utoronto.ca/admissions/contact

CAMPUS TOURS
Tours are conducted by current students every weekday throughout the year. To arrange a tour call 416-287-7529 or book online at: www.utsc.utoronto.ca/admissions/tours

MARCH SHOWCASE
Saturday, March 19, 2016
• Go to an information session on your chosen program, hosted by our faculty
• Take a campus and residence tour
• Discover student life & student services
• Learn how to finance your education
• Get admission information
www.utsc.utoronto.ca/admissions/marchshowcase
STUDENTS AT THE UNIVERSITY OF TORONTO SCARBOROUGH HAVE UNLIMITED OPPORTUNITIES.

Get hands-on experience in cutting-edge laboratories, engage in high-profile research with some of Canada’s leading scientists, and gain the knowledge and skills you need to succeed. Through dynamic programs, award-winning instructors, state-of-the-art technologies and a diversity of co-op options, UTSC brings your learning to life.

ON CAMPUS

LUKAS ZIBAITIS
Biological Sciences – Human Biology
3rd year

When he isn’t studying, in class or playing sports, Lukas gains hands-on experience as a research assistant in a behavioural ecology laboratory on campus.

Lukas’s Day at UTSC
• Enjoys his free time on UTSC’s beautiful campus, nestled on 300 acres in the Highland Creek Valley
• Plays pick-up basketball whenever he can
• Volunteers at Fusion Radio, the campus radio station
• Participates in exciting research in his Science Wing lab

“MY RESEARCH EXPERIENCE AT UTSC HAS BEEN SO COOL. IT’S LIKE HAVING THE DISCOVERY CHANNEL IN THE PALM OF YOUR HAND.”
— Lukas Zibaitis

RESIDENCE

CONNECT ACADEMICALLY.
Live with roommates in related academic disciplines and join in on the collaborative learning opportunities facilitated in residence.

EXPLORE THE WORLD.
In our close-knit community you will meet interesting people and share experiences with students from all across Canada and the world.

WE ARE HERE FOR YOU.
Housing Professionals and Student Leaders go above and beyond to give support and help you feel at ease in a safe and comfortable living environment.

FOCUS ON ACADEMIC LEARNING.
Develop academic learning skills such as academic writing, research and presenting through programs available directly in residence.

CONVENIENCE.
You will be living on campus with just a two- to five-minute walk to all campus facilities. Save on travel costs and commuting time.

FIRST-YEAR GUARANTEE.
As a first-year student you are guaranteed a place in residence if you apply by the residence deadline, regardless of your distance from the campus.
