Name(s) of Applicants Being Nominated

As part of the application package, the academic unit head must nominate one faculty member to serve on the UTSC Postdoctoral Fellowship Adjudication Committee. Nominees must be 'at arm's length' from the fellowship nominee(s) and the proposed supervisor(s), with no conflict of interest. Adjudication committee nominees would ideally be persons who self-identify in an equity-seeking group, or a group under-represented in the academy (e.g., Indigenous persons, women, visible minorities, persons with disabilities, LGBTQ+ persons) and/or have completed unconscious bias training.

Please make sure that the faculty member being nominated to serve on the UTSC Adjudication Committee is available to attend the meeting on Monday, April 6 from 2:00-3:30 pm.
