Section B: Project Description

This brief description may be used for the [EL website](#) and/or added to a resource hub for faculty and staff to review past successful projects. (50 words maximum)

Section C: Rationale

UTSC's Strategic Plan outlines a values-based approach to Inspiring Inclusive Excellence (p.14). Using this four-pronged framework, as well as an Equity, Diversity, Inclusion & Accessibility (EDIA) lens, provide a rationale for your proposed project to explain how the intended experiential learning activity will address course and/or program learning outcomes, enhance student learning, incorporate key EL evaluation components (i.e., reflective inquiry), and identify and/or inform impact on our community partners. Finally, please explain how your project will shift to remote learning should public health measures require such a return. (500 words maximum)

Successful Step 1 applicants will be notified no later than **6 May 2022** and invited to complete Step 2 of the proposal process. They will then work closely with one of our Global Mobility Coordinators in completing Step 2 proposal form, due **27 May 2022**.
