TEXT: There is no text for the course. However, you will be required to make heavy use of the research journals and books in the library.

GRADING:

- 10% Student presentations
- 15% Written summaries and evaluations of manuscripts
- 10% Introduction to paper (due Feb 11)
- 10% Class participation
- 20% Laboratory performance
- 35% Final research paper, due Mar 27

10% will be subtracted per day on any course component handed in late, including the final paper, i.e. a grade of 80% will be reduced to 70% if one day late, 60% if two days late, etc. Assignments are due at the beginning of the lecture period.
