NOTE: I will not respond to e-mails that do not contain the full name of the sender, or that are not in a form for the professional context of the communication. I have nothing against hotmail addresses. Just don't write me on MSN.

ANNOUNCEMENTS

January 16. I will be away next week and the lecture of January 23 will only be available on the web. Do not attend class.

January 3. By popular demand I will be putting videos of my lectures on the web. The format will be the PSYB10 this fall. Count your blessings. This is one of the few times when I will lecture in class and put lectures on the web concurrently.
