There will be two exams, a mid-term and a final, each worth 50% of the final mark. Makeup exams will only be given with a note from a physician, otherwise a "0" will be recorded for that exam. Please use only the medical note available for download at www.utsc.utoronto.ca/~registrar/. The mid-term test will not include the lecture or readings scheduled on June 20.

Note: the final exam is cumulative on all lecture material but not cumulative on the text. The date of the final exam will be scheduled by the Registrar.

Required Text: Cognitive Neuroscience and Neuropsychology (2nd Edition) by Marie Banich.
