Grading Scheme

Of greatest importance to me is the extent to which students can demonstrate their intellectual command of the subject matter of this course *in its entirety* at the end of the term. Consequently, it is essential that the final exam provide a comprehensive (cumulative) assessment of the course. Two midterm tests will provide students an interim assessment of their command of the course material. Both midterm tests will be one hour long. The first midterm test will comprise 25% of your final grade and it will cover Weeks 1 to 4. It will likely be held sometime in the week of June 7, 2021. The second midterm test will also comprise 25% of your final grade and it will cover Weeks 6 to 9. It will likely be held sometime in the week July 12, 2021. The final exam will comprise 50% of your final grade and it will cover the course in its entirety

(Weeks 1 to 13). The final exam will be three hours long. Most of the final exam questions will cover Part 3; the remaining questions will provide equal coverage of Parts 1 and 2. The final exam questions covering Parts 1 and 2 of the course will be reminiscent of, in some cases identical to, many questions on Midterms 1 and 2. The final exam is clearly weighted more heavily toward Part 3 but provides students with an opportunity to improve their scores on Parts 1 and 2 of the course.

Summary

Final Grade = 30 percentage points for Part 1 + 30 percentage points for Part 2 + 40 percentage points for Part 3. Below you can see a slightly more detailed breakdown of the grade calculations:

The first midterm (25% of final grade) will cover Part 1 (Weeks 1-4).

The second midterm (25% of final grade) will cover Part 2 (Weeks 7-9).

A cumulative final exam (50% of final grade) will cover all Parts (Weeks 1-13)

= 5% [Part 1] + 5% [Part 2] + 40% [Part 3] = 50%.

Term Test Policies & Procedures. The Registrar typically finalizes the term test schedule sometime during the first few weeks of class. As soon as we are provided the schedule for the term test dates, times, and locations, we will post this information on the Course Blackboard.

Final Exam Policies & Procedures. The scheduling of final exams and the granting of petitions to defer final exams are matters that fall entirely within the jurisdiction of the Registrar's Office. If you have any concerns relating to your final exam attendance, please contact the Registrar.

ACCESSABILITY SERVICES

The principal function of AccessAbility Services is to ensure that the policies, practices, procedures, and programs at UTSC are inclusive to ensure the equal access to students with disabilities. The office thus provides accommodations to students with a documented learning, physical, sensory, or mental health disability or medical condition. Additional information can be found at <http://www.utsc.utoronto.ca/~ability/>

PLEASE REMEMBER TO SUBMIT YOUR ACCESSABILITY ACCOMODATION REQUESTS MyAIMS.

If you do not, I will not know to provide you with the appropriate accommodation.

ACADEMIC INTEGRITY

University Policy

The responsibilities of all parties to the integrity of the teaching and learning relationship are defined in the University's Code of Behaviour on Academic Matters (August 1995) <http://www.governingcouncil.utoronto.ca/policies/behaveac.htm>. Here is the preamble of the Code:

The concern of the Code of Behaviour on Academic Matters is with the responsibilities of all parties to the integrity of the teaching and learning relationship. Honesty and fairness must inform this

relationship, whose basis remains one of mutual respect for the aims of education and for those ethical principles which must characterize the pursuit and transmission of knowledge in the University.

The current Academic Integrity Officer is Janis Jones, room AA433, janis@utsc.utoronto.ca

What distinguishes the University from other centres of research is the central place which the relationship between teaching and learning holds. It is by virtue of this relationship that the University fulfills an essential part of its traditional mandate from society, and, indeed, from history: to be an expression of, and by so doing to encourage, a habit of mind which is discriminating at the same time as it remains curious, which is at once equitable and audacious, valuing openness, honesty and courtesy before any private interests.

This mandate is more than a mere pious hope. It represents a condition necessary for free enquiry, which is the University's life blood. Its fulfillment depends upon the well-being of that relationship whose parties define one another's roles as teacher and student, based upon differences in expertise, knowledge and experience, though bonded by respect, by a common passion for truth and by mutual responsibility to those principles and ideals that continue to characterize the University.

This Code is concerned, then, with the responsibilities of faculty members and students, not as they belong to administrative or professional or social groups, but as they co-operate in all phases of the teaching and learning relationship.

Such co-operation is threatened when teacher or student forsakes respect for the other--and for others involved in learning--in favour of self-interest, when truth becomes a hostage of expediency. On behalf of teacher and student and in fulfillment of its own principles and ideals, the University has a responsibility to ensure that academic achievement is not obscured or undermined by cheating or misrepresentation, that the evaluative process meets the highest standards of fairness and honesty, and that malevolent or even mischievous disruption is not allowed to threaten the educational process. These are areas in which teacher and student necessarily share a common interest as well as common responsibilities.

- **Contact your AccessAbility consultant** and have them email Keely (keely.hicks@utoronto.ca) detailing accommodations required.

For missed **ASSIGNMENTS** due to ACCESSABILITY REASONS:

- If your desired accommodation is **within the scope** of your Accommodation Letter (ex. your letter includes "extensions of up to 7 days" and you need 3 days):

Accommodation Procedure:

Within approximately one to five business days, you will receive a response from your instructor detailing the accommodations to be made (if any). **You are responsible for checking your official U of T email and Quercus course announcements daily**, as accommodations may be time-critical.

For missed assignments, **do not wait for an instructor response to resume work on your assignment.** Extension accommodations may be as short as one business day, depending on the nature of the illness/emergency. You should complete your assignment as soon as you are able and email it your instructor, noting that you have submitted your Missed Term Work Accommodations Request Form to Keely.

Note that ACORN will not allow you to declare **future absences**. For something like a scheduled surgery or an illness with a prolonged recovery period, if you would like to request accommodations in advance of the assignment deadline or midterm you should submit a Verification of Illness Form (<http://uoft.me/UTSC-Verification-Of-Illness-Form>) completed by your doctor, along with this form to Keely Hicks (keely.hicks@utoronto.ca).

Completion of this form does not guarantee that accommodations will be made. The course instructor reserves the right to decide what accommodations (if any) will be made. Failure to adhere to any aspect of this policy may result in a denial of your request for accommodation.

Missed Accommodations

If an accommodation is granted but a continued illness/emergency prevents you from meeting the requirements of your accommodation, you must repeat the missed term work procedure to request additional accommodations. **Please make it clear in your subject line that you are requesting a second accommodation.** Note that in the case of a missed make-up test, an opportunity to write a second make-up test may not be provided.

(E.g.) If you are given an extension but are still sick and need more time, or if you miss a make-up midterm, you would need to submit another Request for Missed Term Work Accommodations form and declare your extended absence on ACORN.

Importance of Three Business Day window:

If you are unable to submit your documents within the three business day window, **you must email Keely (keely.hicks@utoronto.ca) within the three business day window** to explain the nature of the delay, and when you will be able to provide your documents. Exceptions to the documentation deadline will only be made under **exceptional circumstances**.

Questions?

If you have any questions about this Missed Term Work policy, please contact Keely Hicks (keely.hicks@utoronto.ca) **well before** the date of the test / assignment deadline to describe your circumstances and inquire about procedures.
